While Canada celebrates its 150th birthday, here are some interesting facts about the age of our population.

For the first time ever, seniors made up a bigger share of Canada's population than children. But the margin is close: in 2016 children aged 14 and under made up 16.6 per cent of the total population, while seniors made up 16.9 per cent.

The large shift is due in part to baby boomers getting older, but also to two other trends - longer life expectancies and lower fertility rates.

What was the fastest-growing population since 2011? Centenarians.

The number of people who witnessed their 100th birthday between 2011 and 2016 increased 41.3 per cent, bringing the total number of centenarians in Canada to more than 8,000.

According to Statistics Canada projections, this trend will only increase. By 2031, the agency predicts that nearly one in four Canadians will be over 65.

But by international standards, Canada's population of 65-and-overs is still relatively small, and lower than any other G7 nation. In Japan, for example, 26 per cent of the population is over age 64.

So, while we celebrate Canada's birthday I propose a toast "Here's to Morningsiders, let's do our best to continue the trend".

I would like to take this opportunity to make a plea for all my Morningside neighbours who live on Morningside. Whether it is East Morningside like myself, West Morningside or the heart of the Village, just Morningside Circle I know I speak for a large majority when I say "Please Slow Down".

I know that the bulk of our residents live on very quiet streets. Streets that have only one way in and one way out so when you turn down your street you are almost home. And when you leave you know that you will only travel a short distance before you will have to stop so there is no need to step on the gas. However, some people feel once you reach our streets the speed limit no longer applies.

I would like to remind these drivers that we have pedestrians walking our streets. Some using canes and walkers to help them on their way, some with their dogs on leashes, some hearing impaired. Many are unable to move quickly and some experience dizzy spells when attempting to do so and all these people have the right-of-way.

I can only imagine how devastated I would feel if I ever had the misfortune to strike one of these pedestrians with my vehicle causing injury or worse yet, death to a fellow resident. Since this is a retirement community we are not suppose to be in such a hurry to go anywhere but, if you have to be somewhere at a particular time, please allow enough time so you can drive our streets at a speed that will keep us all safe.

Morningside Festivities Planned to Celebrate Canada's 150th Birthday

Mark your social calendar for Saturday July 1, 2017 as the Entertainment Committee is planning a full day of activities for you and your outside guests.

We are going to start the day with a gigantic photo opportunity. We are asking you to please come to the picnic shelter at 12:30 pm sharp. The colour of your shorts, capris does not matter but the tops have to be red, white or red and white. You will then be placed in a human pattern that

is giant

on the lawn.

An aerial view will then be taken of your sweet smiling faces. We will then be making it into a giant poster to put in the Village Centre and hopefully it will be a fun reminder of our beautiful country's 150th!!

At 2:30 we meet again at the Shed to start to organize for the annual Morningside Parade of decorated golf carts, bikes, scooters, walkers, etc. The parade will start at around 3:00. If you are not in the parade then please plan on being by the roadside to support those who are in the parade.

After the parade we then meet at the picnic shelter for a fun afternoon of drinks, games and a BBQ. Tickets for the BBQ will be sold in June during coffee hour. See ad in this Newsletter.

After the picnic at around 6:30ish you are invited into the Village Centre to see a well done funny documentary on "Being Canadian". The ad for it is in this month's Newsletter.

We hope you will join us in what is going to be a fun day. Please see Newsletter for more details.

This & That

My forgetter's getting better
But my rememberer is broke
To you that may seem funny
But, to me that is no joke

For when I'm "here" I'm wondering
If I really should be "there"
And when I try to think it through
I haven't got a prayer

Oft times I walk into a room
Say "what am I here for?"
I wrack my brain but all in vain!
A zero is my score

At times I put something away
Where it is safe, but, Gee!
The person it is safest from
Is, generally, me!

When shopping I may see someone,
Say "Hi" and have a chat,
Then, when the person walks away
I ask myself, "who was that?"

Yes, my forgetter's getting better
While my rememberer is broke,
And it's driving me plumb crazy
And that isn't any joke

On Thursday July 6th we will be going to the Boathouse Tea Room in Guelph. After lunch we will go to the Donkey Sanctuary. We will meet in the Shed at 10:45 to car pool. Maps will be available.

Recycling Efforts Update

Your recycling efforts have increased, but I wish the commodity prices would keep pace with your efforts. If your efforts keep this pace, the New Hamburg Optimists will have about an extra \$1000.00 for their School program for the under-privilege children in our 3 primary schools.

Totals To Date		
Aluminum Cans	761 lbs.	\$595.44
Other Aluminum	88 lbs.	\$52.10
Other Metals	14 lbs.	\$19.66
Total	863 lbs.	\$667.20
Empties-Beer store		\$261.50
Grand Total		\$928.70

As more of our donors crush/flatten/squash your aluminum cans, we thank you very much. When we trip to Zubicks, in London, our Tucson has, on average, 110 lbs. of aluminum. This fills our car from the front seat to the tailgate and floor to ceiling.

We appreciate your efforts.

A 'Thanks' was received from Cheryl Wagler on behalf of Wilmot Family Resource Centre.

A little boy was waiting for his mother to come out of the grocery store. As he waited, he was approached by a man who asked, "Son, can you tell me where the post office is?"

The little boy replied, "Sure, just go straight down the street a couple of blocks and turn to your right."

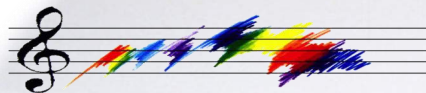

The man thanked the boy kindly and said, "I'm the new pastor in town, and I'd like for you to come to church on Sunday. I'll show you how to get to Heaven."

The little boy replied with a chuckle, "Awww, come on; you don't even know the way to the post office!"

DON'T ALLOW YOURSELF TO BE SCAMMED!

Some people are under false impression that only people on the internet can be scammed. I would just like everyone to know, the bad guys also use the postal service and the phone system.

My neighbour's son was threatened with a phone call by someone claiming to be from Revenue Canada. They can be very persuasive and intimidating.

I spotted this poster here at a Staples store and thought we all should have a chance to see it.

On the next page I have scanned a letter sent to Chuck Schiedel. If you take the time to read it you will see that they can attempt to draw you in with get rich schemes as well.

If it sounds to be good to be true you can bet it is!

Hello Charles Schiedel

I am Mrs Sabine De Rycker, I am the Administrative director at a Vault of a Financial & Security Institute here in Europe. I am contacting you based on a financial opportunity I discovered here in our Vault; it's an abandoned sum of US\$77.8M (Seventy seven Million Eight Hundred

Thousand United State Dollars), which is in our safety deposit vault, that belongs to one of our foreign customer M Mr.M Schiedel a citizen of your country who died along with his entire family on January 2012 in a ghastly car accident here in Europe and our vault policy allows the release of the funds to a heir from your country as next of kin to the deceased. After his death, the vault management has been expecting a possible beneficiary from your country.

However, because of the international financial crises, a lot of reform has been made within the European Financial System; this includes the new law on succession/claims which indicates a duration in which such inheritance could be tolerated. The Bank of Europe has mandated our institute to release the funds to the possible inheritor, failure to respond to this ultimatum would legally allow the Bank of Europe to confiscate these funds as unclaimed thereby allowing the Government to take hold of the money.

It is therefore upon this entire discovery that I have decided to contact you because you're from the same country with the deceased. I want you to know that I am a senior member of this office and as an insider; I am going to use my position to make sure that these funds will be released to you as the next of kin to the deceased. Upon your consent to cooperate with me, I agreed that 40% of this money will be for you, 60% for us. In order for us to go forward in concluding it, do email me via my above email all your contact details (phone and fax numbers, your email) or send sms/text message from your mobile to my mobile number above so that I will get back to you with more details about this transaction .

Please note that I have ONLY discussed this with my husband. To achieve this goal with me, kindly call me as soon as you receive this letter so that I will inform you on how this could be concluded. In conclusion, it's my concern to demand your ultimate honesty, co-operation and confidentiality to enable us conclude this transaction. I GUARANTEE that this process would be executed under a legitimate arrangement that would legally protect you from any breach of the law.

Best Regards,

S.D.R

Once again we had a beautiful summer day for our annual Putt Putt 2017

We had 100 Putting Participants and an extra 20+ Fans gathered around the Morningside putting green. Cheering the many holes in one; often loud moans were heard at near misses. Laughter, teasing and encouragement were constantly heard in the background. Our Statistician Doreen Brydon did a great job of recording everyone's scores. A delicious dinner of pulled pork on a bun and all the fix'ns was served up by our local chef, Gail McMullen. It was great to see new faces enjoying this popular activity. It always makes the organizers of any event feel good to see the new residents participating and having fun and then hearing from long timers that they had a good time. A special thanks to Jim & Louise Meyer and Gary & Shirley Collins for organizing this fun event. We always appreciate it when people jump in to help with all the last minute details. **We apologize to the winners;** we forgot to get the trophies out of the VC so they were not there for the pictures. Be assured your names will be etched onto them for posterity.

Andee Shuster is the Marketing Director for River Meadow Homes and looks after our website and advertising. Andee is currently working on an advertising brochure and is looking for you to share your story about living in Morningside.

If you are interested in submitting your story please submit it to the office at your earliest opportunity.

RED DOT MEDICAL INFORMATION

Just a reminder to all residents to keep your Red Dot medical information up-to-date and keep it attached to your refrigerator. In an emergency, the first responders will look for the Red Dot information.

If you require a medical information form, we do have blank forms in the office. Just pop in and pick one up.

LEAVING THE VILLAGE?

Just a friendly reminder to any resident leaving the village on vacation, please remember to shut your water off prior to leaving..it would be very unfortunate to have a pipe burst while you are away and have to return to a water damaged home.

SPEEDING SURVEY

As you may recall a speeding survey was included in the June newsletter and from that survey 45 homeowners responded. Only 45 homeowners responded to the survey as a result we have decided that Stop signs or speed bumps will not be installed within the village at this time.

We would ask that when driving through the village you watch your speed and advise your visitors/contractors of our speed limit.

Thank you.

Ed and his wife Norma go to the state fair every year, And every year Ed would say, " Norma, I'd like to ride in that helicopter "

Norma always replied, " I know Ed , but that helicopter ride is fifty bucks, And fifty bucks is fifty bucks! "

One year Ed and Norma went to the fair, and Ed said, " Norma, I'm 75 years old.

If I don't ride that helicopter, I might never get another chance"

To this, Norma replied, " Ed, that helicopter ride is fifty bucks, and fifty bucks is fifty bucks"

The pilot overheard the couple and said, " Folks I'll make you a deal. I'll take the both of you for a ride. If you can stay quiet for the entire ride and don't say a word I won't charge you a penny!

But if you say one word it's fifty dollars."

Ed and Norma agreed and up they went.

The pilot did all kinds of fancy maneuvers, but not a word was heard. He did his daredevil tricks over and over again,

But still not a word...

When they landed, the pilot turned to Ed and said, "By golly, I did everything I could to get you to yell out, but you didn't. I'm impressed! "

Ed replied, " Well, to tell you the truth I almost said something when Norma fell out, But you know, Fifty bucks is fifty bucks! "
