Tribute Artist Night July 8, 2017

Morningsiders were treated to a beautiful evening of music from Broadway tunes to celebrated artists such as Bette Midler, Whitney Houston and Celine Dion. Dawn Taylor played the keyboard and sang dynamically. She graciously accepted requests and did not disappoint. We also got a chance to hear Peter Korf sing which was an emotional experience for many listeners. Paul Taylor sang one song to his daughter which was very sweet. It was a lovely way to spend a warm Saturday evening amongst friends and family members. This was the first time for Dawn to perform for a whole evening here at Morningside as she has given samples of her talents before at Karaoke night.

Thank you also to Morningsiders that came out to support this lovely evening of music. We thank you for your enthusiastic appreciation.

Canada Day 2017

What a memorable day!! We started the day with a fantastic shot of around 200 Morningsiders forming a 150 and the shot was taken with the help of the Wilmot Fire Department. They arrived on time at 12:30 and we finished up with just about a half hour to spare when the sky opened up and the rain came down in torrents. Although the rain delayed the parade about 20 managed to go ahead with the parade and wave to many Morningsiders that took the few minutes of delayed rain to come out and cheer us on. We then took to eating inside the Village Centre so we managed to still enjoy the day. The day was finished up with a movie, a documentary on "Being Canadian".

It was a day that started at 12:30 and ended at 8:30.

Many thanks go out to Richard Derry, Bob Grigg, Bob Hunter and Nick Rintche who steadfastly barbecued our hamburgers and hotdogs in the rain.

Thank you also to Sandy Cunningham and her team of servers who helped dish out the food and to those that helped to clean up the Village Centre.

This was a team effort. I would also like to thank David Stewart for helping me co-ordinate the photo shoot and for ensuring that the fire truck was coming. He also took the time to Photoshop the photo to make sure it was perfect.

The photo has been enlarged and will be put in the Village Centre for our enjoyment for many years to come. It was well worth the effort.

Thank you Morningsiders who support these social events and who came out for the picture, because of your efforts we were able to achieve what we hoped would be a beautiful keepsake. We are a community who stay connected because of the support these kinds of events get.

Recently a number of people have had this problem. When on the web suddenly a screen pops up that causes the screen to lock up and show the attached warning boxes. While locked-up it does not allow the windows to be closed, a new address to be input in the URL bar or any of the pull down menus to be accessed. Below are images of the windows while locked up (it may have a different text). The first image is a pop-up that requires a clicking of the 'OK' button to get to the following red screen and subsequent pop-up window. **DO NOT CALL THE PHONE #**

This is called phishing... trying to get your charge card info, it is **NOT A VIRUS**.

Simply go to your power button on the computer and hold it down until the computer shuts down. Give it a minute, and then restart. Everything should be back to normal.

BOCCE PLAYERS

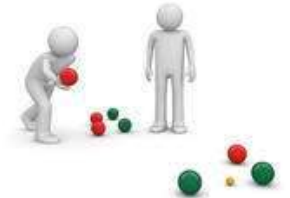

Don Horslin

Please remember that the semi-final games are to be played between august 1st and august 18th. These games are the best 2 out of 3. The winners of the semi-final match are to call Don Horslin so that he can update the final game list in the clubhouse and shed.

On Monday, august 21st, we will be playing the finals. If you were eliminated during the semi-final match, please come and enjoy the afternoon. After the final match has been played, we will all go to the B.B.Q. pavilion. If you have any questions, please call Don Horslin.

We have booked the B.B.Q. pavilion for august 23rd as a rain date.

See all of you there along with any interested spectators.

Greeting, from your MVHA board

We are now well into summer and have enjoyed many functions here in the Village. Canada's 150th Birthday Celebrations were a huge success and many thanks to all the organizers and volunteers that put it all together.

We have also completed another successful Summer Games here at Morningside. Thank you to all the Conveners, the Organizers, the Cooks and the many volunteers needed to put it all together and also to the many participants, without you we would only be committees.....

Congratulations to the MORNINGSIDE BLOOD DONOR CLINIC VOLUNTEERS. They have been selected as recipients of the KITCHENER-CONESTOGA 150 FOR CANADA'S 150TH AWARD presented by MPP Michael Harris and MP Harold Albrecht. They attended a reception at Castle Kilbride on August 1 2017. The volunteers are RETA KLAASSEN, GARY COLLINS, JANE EICHLER, BETTY JOHNSTON, DOREEN BRYDON, GAIL MCMULLEN, and ROSS EICHLER.

Speeding on our streets here in the Village is still an ongoing problem. I apologize to the residents that do adhere to the SLOWER PACE signs that are scattered throughout the Village and thank them for showing respect to the walkers on our streets however for the SPEEDERS that don't care or maybe can't read PLEASE SLOW DOWN. Maybe leave a little earlier for your appointments at whatever.

Thank you to all the Residents here at Morningside for your respect of our Country and our VETERANS by displaying so many Canadian Flags not just on Canada Day but throughout the year. Did you know that there is a Flag Flying Protocol and that the Canadian Flag should be on its own, not flown with another country's flag above or worse still attached to it..

September is just around the corner and so is the Annual General Meeting of the MVHA. We are in need of at least three board members for next year. It is not a hard job and is quite gratifying to see what goes on and can be accomplished as a Board. If you have some accounting skills or secretarial skills or just want to be part of the volunteers that make up the board, talk to a board member as to what is required.

I will be putting up a sign up sheet in the near future at the Village Center.

Thanks for listening, enjoy the rest of your summer...

ROSS EICHLER (PRESIDENT)

She was in the bathroom, putting on her makeup, under the watchful eyes of her young granddaughter, as she'd done many times before. After she applied her lipstick and started to leave, the little one said, "But Grandma, you forgot to kiss the toilet paper good-bye!" I will probably never put lipstick on again without thinking about kissing the toilet paper good-bye....

My young grandson called the other day to wish me Happy Birthday. He asked me how old I was, and I told him 62. My grandson was quiet for a moment, and then he asked, "Did you start at 1?"

Irish Craic and Humour
An elderly couple were sat together and the lady said, 'I remember when you kissed me whenever you could.' The man leant over and pecked her on the cheek. 'I also remember when you held my hand all the time.' The old man placed his hand on hers. She continued, 'I remember when you used to nibble my neck.' The old man shuffled out of the room. 'Where are you going?' asked the old lady. 'To find my teeth,' said the old man.

Note from the Entertainment Committee re: Changes to the Social Roster

The Social Roster we gave you for 2017 says, "**Tentative**" at the top as scheduled events can be changed due to unforeseen circumstances.

Please take a minute and mark the following changes on your roster or home calendar:

The Tribute Artist Evening featuring Dean Martin and Frank Sinatra has been changed to **November 4** from the original date of October 14. It will be a fun night so plan on attending. Because the Tribute Artist Night is now on November 4 the scheduled movie for that evening will now be rescheduled to **September 30**. I will be showing **The ZOOKEEPER'S WIFE** on that date.

Please see the revised notice on the bulletin board in the Village Centre and The Shed and also the first page of this month's Newsletter.

Also, the movies are open to outside guests and I do put on the CC (close captions) for those who require extra assistance (that includes me!!!) in hearing properly.

CONTESTS NEED PARTICIPANTS

SEX AFTER DEATH

A couple made a deal that whoever died first would come back and inform the other if there is sex after death. Their biggest fear was that there was no after life at all.

After a long life together, the husband was the first to die. True to his word, he made the first contact:

"Marion" ... "Marion"

"Is that you, Bob?"

"Yes, I've come back like we agreed."

"That's wonderful! What's it like?"

"Well, I get up in the morning, I have sex.

I have breakfast and then it's off to the golf course. I have sex again, bathe in the warm sun and then have sex a couple of more times.

Then I have lunch (you'd be proud - lots of greens). Another romp around the golf course, then pretty much have sex the rest of the afternoon.

After supper, it's back to the golf course again. Then it's more sex until late at night.

I catch some much needed sleep and then the next day it starts all over again"

"Oh, Bob, are you in Heaven?"

"No ... I'm a rabbit in Saskatchewan.

Bingo begins another season on **Monday**, September 4th, 2017 (Labor Day), at 7:15 p.m. Bingo is a fun activity. We especially welcome new-comers; Team Leaders will go over the game and our limitations with you on your first evening. This is an activity that you will feel comfortable with, even if you come alone as everyone is friendly and helpful. Doors open at 6:30 p.m. and the first game "The Early Bird Special", starts promptly at 7:15 p.m., so make sure you come in plenty of time to buy your tickets before our cashiers balance the money. Entry Cards are bought at \$5.00 each for 14 games (3 up), Extra Cards are \$3.00 each for 14 games (3 up). The three different Specials are \$1.00 per card (3 up). (A maximum of three (3) may be played for each category) If cash allows, the Team Leader, will arrange Extra Special games. This is not a fund raising activity so all money is won by the players. For further information please call: Maureen Nethercott, Convener

They sell bingo cards at the beginning of the night. Helpers also check the cards of winning players with the Caller; this is also only once a month.

THE TEN COMMANDMENTS OF BINGO (Everywhere but Morningside)

THOU SHALT NOT...

Sit in thy neighbour's lucky spot.

Stare at thy neighbour's card.

Take the caller's name in vain.

Thank you all!

I am now announcing that I will be retiring as your Coffee Hour convener as of the first week of September.

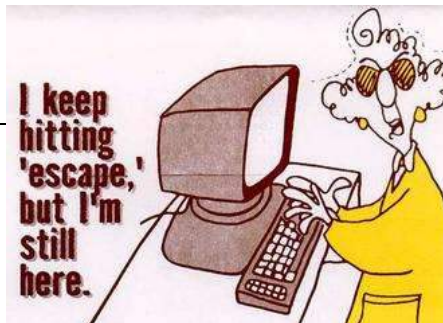

You will have a terrific new crew running coffee hour. They came forward and I was so pleased. I know they will do a great job. It is so good to see some of the newer residents participating and getting involved in running some of the many activities going on in Morningside. This is what keeps us all active.

I would like to thank you all for adding your names to the signup sheet and volunteering your time. Without your help there would not be a "Coffee Hour". Special thanks to Steve & Chuck for setting out coffee cups the night before and to the Morningside staff for preparing then setting up the big coffee urn and looking after supplies.

Last but not least, thanks all of you that attend Thursday mornings and enjoy the coffee, tea, goodies, the celebration cake, the announcements, the jokes, the conversations and the good time spent with friends and neighbours. All of these make for a GREAT Thursday "COFFEE HOUR". Your new conveners will be a great *Threesome*. They are Sharon Oliphant, Rita Schomogyi & Rae Humphrey. They will be perfect for the job, please give them the same great help you gave me. Everyone sign-up, volunteer and enjoy.

It has been a pleasure looking after "Coffee Hour" for the last 7 years but enough is enough.

Thank you all
Ruth Wakelin

Morningside Blood Donor Volunteers

Congratulations and THANK YOU to our Morningside Blood Donor Volunteers. You may have noticed in the News Letter that this group won a Volunteer award from our MP and MPP for their Volunteer accomplishments.

We have just completed another Blood Services Clinic on Monday July 24th and attended to 64 Donors after their giving of blood to help in saving some other person's life. We had 86 Donors show up but for one reason or another some could not donate. Our next clinic sponsored by the "GREAT" volunteers from Morningside will be on September 18th at Steinman Church.

Our Volunteers are Gail McMullen, Reta Klaassen, Gary Collins, Doreen Brydon, Betty Johnston, and Jane and Ross Eichler.

Thanks again and have a Safe and Happy Summer
Ross Eichler (Clinic Coordinator for Blood Services Canada)

Thank you Ruth

Over the last 7 years you have organized well over 300 "Coffee Hours" and you have our gratitude for all the hard work you put into our special social "hour". Getting different volunteers to help you 52 weeks of the year is a great undertaking. Of course you were always there to pitch in if someone was short handed. "Coffee Hour" is something many of us in Morningside look forward to. Walking into the VC to see your smiling face is the highlight of our week.

We are all raising a cup of Joe and saying CHEERS for a job well done!

It is time for our mid-summer pot luck lunch with games. It will be on Thursday August 24th. Please bring plates, cutlery, glasses and drink, and food of course!!! Come and have fun at the picnic shelter - rain place PEL.

TRAVEL NOTES

We have 56 people going on the Grand River Cruise, on August 15th. Please be down at the back of the Village Centre by 9 a.m. The bus will be leaving at 9:15 a.m. I have put a sign-up sheet on our Travel Board for our always popular trip to Port Dover which is happening on Tuesday September 5th. If you have told me in advance that you would like to go, your name will be on the sign-up sheet. I will need the \$80 for this trip by August 26. I leave for England on Tuesday August 1st and return on the 20th.

CALLING ALL LINE DANCERS

....To bring your shuffles, scissor steps and vines to the right on Tuesday September 5 at 9:00am in the Village Center.

If you don't know what these steps are join us and find out.

The first half hour will focus on beginners and basic dances.

The next hour will include dance with a few more steps and a little more difficulty.

Line dancing is ideal as low impact exercise, great for mental stimulation and the social aspect is a bonus.

We are looking forward to waltzing and fox-trotting with you.
