### TWO DIFFERENT DOCTOR'S OFFICES....

(Boy, if this doesn't hit the nail on the head, I don't know what does!)

Two patients limp into two different medical clinics with the same complaint. Both have trouble walking and appear to require a hip replacement.

The FIRST patient is examined within the hour, is x-rayed the same day and has a time booked for surgery the following week.

The SECOND sees his family doctor after waiting 3 weeks for an appointment, then waits 8 weeks to see a specialist, then gets an x-ray, which isn't reviewed for another week and finally has his surgery scheduled for 6 months from then.

Why the different treatment for the two patients?

..... The FIRST is a Golden Retriever.

..... The SECOND is a Senior Citizen.

Next time take me to a vet!

# TAVISTOCK GOLF

Hi fellow golfers or wanna be golfers.

Last month I said I was going to put a sign up sheet for Tavistock golfing on Wednesdays, however, I have just recently received notice from them that the Tavistock Golf Course **will not** be opening this 2018 season. It had been for sale for some time now and I guess it finally did, not sure. Anyway, I will try and find an alternative for us to play at; maybe Woodstock or Stratford would be able to accommodate us.

There is a group which goes to Woodstock every Monday teeing off between 11:30 – 12 headed up by Mike Disney. They have come up with a 9 hole rate for Morningside with a cart at \$20.00 for the Monday group.

I will try to keep you updated or if you have a question about Woodstock, call Mike Disney and he will be able to answer your questions.

Thanks for now

Ross Eichler

SUBMITTED BY WANDA CAKEBREAD

My grandson was visiting one day when he asked, "Grandma, do you know how you and God are alike?" I mentally polished my halo and I said, "No, how are we alike?"

*"You're both old," he replied.*

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, *"It's no use Grandpa. Now the mosquitoes are coming after us with flashlights."*

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa," he advised *"Mine says I'm 4 to 6."*

*Children's Logic:* "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant." The teacher took the lad aside to correct him. "Don't you know what pregnant means?" she asked.

"Sure," said the young boy confidently. *"It means carrying a child."*

We wish to let Shirley Wildfang know that she and her family are in our thoughts over the passing of her husband of 59 years, Gerry. Then the loss so quickly after, of her son Stephen (of Alberta).

*We wish to send our heartfelt condolences to Joan Little and family on the passing of her husband, Harry.*

# MVHA GENERAL MEETING MAY 16TH IN THE VILLAGE

**CENTER 7:30 P.M. (food bank donations)**

Hi Fellow Morningsiders and welcome to Spring..

WOW, darts are finished, shuffleboard is finished whatever shall we do with our spare time?? Try VOLUNTEERING at one of the many things going on here in the Village or better still VOLUNTEER to serve on YOUR MVHA BOARD...We are in need of 5 new members in September 2018.....Call me for information or questions.

We have had a request as to the possibility of changing the "pool" hours for children and or grandchildren, the change being from 2:00 P.M.--4:00 P.M. to be 3:30 P.M.--5:30 P.M. It has been decided to bring it up at the General Meeting in May for discussion and a vote by show of hands as to or not to make the change.

It has also been suggested that upgrades to the decor including the flooring etc. in the exercise room be addressed. River Meadow Homes and the Residents of Morningside are invited to drop off suggestions at the office and placed in the Membership Folder, addressed to Margret Nodwell (MVHA BOARD COORDINATOR ). We will over the next few weeks/months gather the suggestions and hopefully be able to address the wants and needs as they come in.

Your MVHA Board is also looking at numerous things that will help to improve our time here at Morningside such as repairs to the chairs in the V/C, picnic tables and improvements to the sound system. We have also contacted RMH as to the safety of the Slaughter House/ Storage area by the picnic shelter as it has big need of some repairs.

As you can see there are lots of things to keep us busy to try and stay ahead of the game. I hope to see you all out and about this summer and that you participate in the many events that are available to all residents of Morningside. If you have questions regarding an event please ask the event coordinator for details, get involved, it is lots of fun to join in.

Don't forget the Summer Games are coming up soon here at Morningside, check the newsletter for details.

Have a great Spring and Summer.

A 77-year-old man is having a drink in a bar. Suddenly a gorgeous girl enters and sits down a few seats away. The girl is so attractive that he just can't take his eyes off her. After a short while, the girl notices him staring, and approaches him. Before the man has time to apologize, the girl looks him deep in the eyes and says to him in a sultry tone: "I'll do anything you'd like, anything you can imagine in your wildest dreams, it doesn't matter how extreme or unusual it is, I'm game. I want \$100, and there's another condition". Completely stunned by the sudden turn of events, the man asks her what her condition is. "You have to tell me what you want me to do in just three words" The man takes a moment to consider the offer from the beautiful woman. He then whips out his wallet and puts **ten - \$10 bills** in her outstretched hand. He then looks her square in the eyes, and says slowly and clearly: **"Paint my house."** **(Our needs change as we get older).**

We should live so long as to become this kind of old man!

Toward the end of the Sunday service, the Minister asked, "How many of you have forgiven your enemies?" 80% held up their hands.

The Minister then repeated his question. All responded this time, except one man, Fred Barnes.

"Mr. Barnes, are you not willing to forgive your enemies?"

"I don't have any," he replied gruffly.

"Mr. Barnes, that is very unusual. How old are you?"

"Ninety-eight," he replied. The congregation stood up and clapped their hands.

"Oh, Mr. Barnes, would you please come down in front and tell us all how a person can live ninety-eight years and not have an enemy in the world?"

The old golfer tottered down the aisle, stopped in front of the pulpit, turned around, faced the congregation, and said simply, "I out lived all them assholes."

## Tai Chi Morningside:

Come + Join us on April 10th!

Since last September, we have two Tai Chi groups every Tuesday, back to back;

One at 2:30pm learning Part 1 of the Tai Chi set,

the other (had already learned Part 1) is doing Part 2 at 3:30pm.

Most people know that Tai Chi is a very low impact exercise that over time will greatly improve your fitness. But, Tai Chi is not about doing a perfect move.

It is about the mind and body connection - a relaxed body calms the mind.

It is amazing to watch when everyone is synchronized into the dance of the Tai Chi movements.

We are inviting you to come and join us at the village centre, starting on Tuesday, April 10th, at 2:30pm. If you have any questions, please contact Ida Tong or any Tai Chi participants here.

I've been diagnosed with C.R.S.
